This is a complex grid-based puzzle or game board. It consists of 60 rows and 100 columns. The grid is filled with a variety of symbols, including diamonds, circles, squares, and text characters. The symbols are arranged in a pattern that suggests a specific layout or sequence. The grid is divided into sections by row numbers (50, 60, 70, 80, 90, 100) and column numbers (50, 60, 70, 80, 90, 100). The symbols include diamonds, circles, squares, and text characters like 'Z', 'L', 'TM', and '★'. The grid is a visual representation of a game board or a puzzle layout.
